## Policy and Disclaimer:

The Cape Cod Pet Resort pledges to give appropriate care to all boarded pets. I will not hold the Cape Cod Pet Resort responsible for conditions that often are unavoidable in boarding environments such as, but not limited to, weight loss, rough hair, cough, bloat, canine influenza, parvo and sudden death. I acknowledge that in the event of my pet's illness, the staff at the Cape Cod Pet Resort may not be able to immediately contact me and is therefore authorized to initiate appropriate treatment of my pet(s) until I am available to discuss further care and costs with the attending veterinarian.

I certify that my pet(s) appear to be free of contagious diseases, including external parasites and has/have not bitten anyone within the last 10 days. I understand that if my pets have been found to have external parasites, they will be treated and my account will be charged accordingly. I also certify that my pet is current on all required vaccination(s) and have provided written documentation of same. Although not presently a requirement, I also understand that the Cape Cod Pet Resort strongly recommends that all dogs be vaccinated against canine influenza. If on entry my pet is found not to be current on required vaccines, I authorize the Falmouth Animal Hospital to examine, and administer the required vaccine. I also certify that my pet is heartworm free and is on heartworm preventative medication during the high season (April – December).

While your pet(s) is/are staying with us, he or she may come into contact with other pets, depending on the services you purchase. You acknowledge and agree that in the unlikely event that your pet is injured by another pet, you will not hold us responsible for the injury. If your pet(s) injure another pet, you will be solely responsible for any injury to either or both pets.

I understand that I will be charged for the day of entry regardless of time of entry. I understand that check out time Monday – Saturday is 11:00 am and Sunday is 9:00am to 10:00am. Pets checked out after these hours will be charged for that day. I also understand and am aware of check-in and check-out times during holiday periods.

Cape Cod Pet Resort is not responsible for loss or damage to any personal item belonging to your pet. Do not bring toys, blankets, beds, etc that are valuable or irreplaceable.

I understand that if I fail to pick up my pet(s) within 10 days of notification to the above individual, my pet(s) will be considered abandoned and will be handled in accordance with the Massachusetts State Law and that doing so does not relieve me of my financial obligations.

I have read the above agreement entirely and I am in full agreement.
